Dear Ms Arkin:

Congratulations! Your organization has been selected as a finalist to receive an award under the 2015 Environmental Justice Small Grants Program.

Please note that this is not an official notice of award. Only the Grants Management Office (GMO) can issue an official award offer to you. Accordingly, you will still be required to complete additional documentation and will be contacted by your regional Environmental Justice Grants Coordinator to discuss matters relating to your application/proposal and to resolve any administrative issues.

We anticipate making final selections in the coming months. Applicants will be notified of the Agency's final selection via email. If you have any questions or concerns regarding this process, please contact Sheryl Stohs at stohs.sheryl@epa.gov or 206-553-0250. Thank you.
